

# Salsina

Valfrutta Salsina is a delicious sauce base made from prime, sun ripened Italian tomatoes served in their own thick juice. Salsina contains absolutely no artificial flavourings, colours or preservatives. It's 100% natural with a pure, unprocessed flavour.

THE TRUE TASTE OF ITALY

Use Salsina to create everything from traditional pasta sauces, healthy toppings, soups and casseroles to natural vegetarian dishes, stews, risottos, quiches and mouthwatering savoury bakes - any dish that requires the taste of rich, ripe tomatoes.

Valfrutta Salsina comes in four appetizing varieties - 'Original', with Peppers & Garlic, Garlic & Herbs, and Onions with Garlic. Salsina is available from all good food stores.
